

### **3d. Caroline Kelland.**

Caroline, also known as Carrie sometimes, is the fourth child of George Kelland Jr. and Mary Ann (Bull) Kelland, that I have a record for. There may have been some more children who died young and so do not appear on the Census records. Caroline appears on both the 1870 and 1880 Census.

Sadly, these are the only records that I have of her, although when we were at the City Hall in Lynn we did see her name in the Death Index but sadly did not buy the certificate.
